How We Will Handle Your Personal Data:

- When you join we will only contact you in the ways that you ask us to and you may change your preferences at anytime by informing the office.
- We will only keep details on you that are necessary for the processing of your membership.
- We will keep your full details securely on file for up to two years, and we will not share your data with any other organisation, unless there is a legal requirement to do so.
- We like to keep you up-to-date on what's going on at the Centre and send you Membership only offers. We prefer to send these updates via email, as it is cheaper to administer and saves on postage, so if you tick to receive emails it will be our primary way of keeping you informed.
